4.1.1. Co-Skippers will compete as a team of no less than 2 and no more than 3.

4.1.2. Each team member must skipper their pro-rata share of races (50% (1/2) for teams of two or 33% (1/3) for teams of three.

4.1.3. The same number/percentage of finishing scores from each Co-Skipper must be used in the final team score. If throw-outs come into play, they may not be used to reduce the number of finishes per Co-Skipper below their targeted team number/percentage.

- 5. Signals made ashore**

Announcements from the RC will be made on VHF channel 68.

- 6. Skippers' meetings/awards:**

6.1. There will be two in-person Skippers' Meetings during the entire regatta; one on the very first race day and one midway through the series. Unless otherwise designated, they will be held on the grass area near Pleasant Harbor Marina's ramadas R12, R13, and R14, overlooking Pleasant Harbor Marina

6.1.1. Both meetings will start at 11:30 AM on those Saturdays for all racers.

6.2. On all other race days, all information otherwise delivered at an in-person Skippers' Meeting will be delivered in an electronic fashion to be announced prior to the start of the series.

6.3. It is during the Skippers' Meetings where the starting "Rabbit" will be designated.

6.4. It is during the Skippers' Meetings where the declarations of each team will be announced.

7. Schedule

Saturday: Targeted 1:30 PM warning. There will be only one race per day, thus only one warning.

8. Class/Fleet Boards

8.1. There will be only one class – PHRF mono.

9. Courses to be sailed

9.1. Course to be sailed will be designated on the Race Committee boat and will correspond to a course listed on the Course Chart A, attached.

9.2. There is no set Start/Finish line, so passing to either side of the committee boat on the second leg is acceptable.

10. Marks

Rounding marks will be yellow, orange, or green inflatables.

11. Check-in and the Start

11.1. Each boat must check-in no later than 1:15 PM by sailing aft of the Race Committee on starboard tack, hailing their sail number, and receiving a verbal or visual confirmation from the Race Committee of their intended participation.

11.2. Each race will be started via a Rabbit Start.

11.2.1. A standard six-minute start will be employed.

11.2.2. One minute prior to the start, the Rabbit will pass the stern of the Race Committee on port tack, sailing a course to be determined by the RC and communicated to the Rabbit.

11.2.2.1. The starting line is between the stern of the Rabbit and the designated pole on the RC boat.

11.2.3. At the start, all other competitors will start by passing between the Rabbit and the Race Committee boat on starboard tack.

11.2.4. During the start procedure, the Rabbit is 'above the law' in regards to rights-of-way, even port over starboard, in an effort to allow them to begin the start exactly on time at the stern of the Race Committee. All other entrants will avoid the Rabbit at all costs as during the start procedure, as they have surrendered ALL rights to her. In this situation, the Rabbit can only call rights on boats which prevent her from starting on time.

11.2.5. The Rabbit relinquishes her 'above the law' status as soon as the last starboard tack starter crosses her stern, OT when the RC hails via VHF that she has fulfilled her duties, at which time she now competes with the same rights as all other boats.

11.3. *Boats shall avoid the Rabbit and Race Committee boat at all costs.*

12. Finishing

12.1. The finish line will be between the designated marker on the Race Committee boat and a small buoy mark off her port side.

12.2. A boat that retires from a race or retires from racing before the end of the race day shall notify the Race Committee as soon as possible using VHF channel 68.

13. Time Limit.

- 13.1. The time limit for each race will be 30 minutes prior to sunset as per <https://sunrise-sunset.org/us/peoria-az>
 - 13.1.1. If no boats finish before this time, the race will be scored as the teams are positioned on the water.
 - 13.1.2. In this situation, no handicapping will be used to adjust finishing positions.
- 13.2. Boats failing to finish within 120 minutes after the first boat finishes will be marked as time limit expired ("TLE") but scored as they are positioned on the race course.
 - 13.2.1. No PHRF handicapping will be used for finishing scores marked TLE.
- 13.3. No warning signal shall be made after 2:25 PM.

14. Protests. Competitors are to submit protests at race headquarters by 7:00 PM Saturday.

- 15.9. If their chosen boat's PHRF rating includes a spinnaker and the boat decides to race without a spinnaker, for either the entire series or an individual race, this boat shall have a twenty-five percent (25%) rating bump added to their rating.
- 15.10. A boat starting later than fifteen (15) minutes after the starting signal will be scored "did not start" (DNS) and receive a score equal to the number of competing boats plus one (1). This changes rule A4.
- 15.11. After starting, a boat may retire (RET) from a race and receive a score equal to the number of competing boats in that race plus one (1). This changes rule A4.
